

WORKSHOPS

Bob Schoenholtz, M.S., ATR-BC, LPC will be offering an imagery workshop at the new location of The Inward Eye studio at 14 Thomas Ave, 1st Floor, in Bryn Mawr, PA.

"**Developing the Inward Eye**" will be offered on **Sunday, December 12** and again on **Sunday, January 16**. Each day will be about 4 hours in length, starting at 9:30am, ending at approximately 1:30pm. Participants can come to one or both. This workshop will be for all levels of skill. No prior experience with guided imagery is necessary but experienced practitioners are also invited.

This workshop will help participants to learn to use the wisdom of their inner guides. Inner guides can take any form and are manifestations of the practitioner's unconscious that can show the person new awareness. Through the use of Interactive Guided Imagery and art making, we will discover these inner resources and begin to develop a relationship with them. This can lead to personal growth, learning, healing, and spiritual discovery.

Basic art materials will be provided (pastels, oil pastels, markers, pencils, paper, magazines for collage, clay) but you are invited to bring your own, if you prefer.

Cost will be \$120 per day. Early registration- two weeks prior to the date of the workshop- will cost only \$100 per day. Please contact Bob at **610-761-1905** to discuss registration.

Registration will be limited to 4-5 people- so register early!
